

Rushton Recreation Ground

*Report for RPC Meeting on the 20th November 2024 prepared by
Mike Brightman Agenda Item 12*

1- General

Weekly inspections have taken place to check the equipment and clearing up litter.

2- Grass Cutting.

The grass has been cut regularly and the last cut of the season has taken place. The regular cutting this year has left the grass looking better without the build-up of cut mulch.

3- Maintenance Works

The cleaning and painting work continues

The pergola decking timber has been cleaned and treated.

The park sign support has been repainted

The wooden supports of the play equipment where the paint is missing has been treated and is waiting painting subject the weather conditions

4- Moles

There has been an increase in mole activity in the recreation therefore we need to instruct the pest control man to attend the park and trap them. We have a quotation of £170.00 (that's an increase of £10.00 from last year) from Gary Matthews.

5- Annual Inspection

The annual safety and condition inspection and stock valuation is now due, the last inspection was carried out on the 28th November 2023.
